

## Arrival

Gates open at 8:55 am and will remain open until 9:15 am for student drop off in the morning. Parents are not permitted on the playground in the morning.

Parents should drop their student(s) off in the Kiss and Drop and leave immediately. Please do not get out of your car as we need traffic to consistently be moving.

Parents of Kindergarten students, please park in a parking space in the parking lot at the front of the school and walk your child to the gate. There is not a kiss and drop at the front of the school. This area is reserved for buses.

If you would like to drop your Kindergarten student off at the Chartan or Boyd Kiss and Drop with an older sibling, a staff member will be available to walk your child to the Kindergarten playground.

## Dismissal

Parents are permitted to pick up their child on the playground at dismissal at the teacher's dot. Students may also walk to the gate at the Kiss and Drop and wait for pickup. If you choose to enter the playground area to pick up your child, please continue to social distance and wear a mask. It is also important that only one adult enters campus to pick-up a student.

Older siblings of Kindergarten students will walk around the school, through the playground, and meet parents at the outside door of the Kindergarten teacher. Please continue to social distance and wear a mask.

Please note: as we monitor arrival and dismissal activity and/or receive updated guidance from the district, these procedures may change to a staggered pick-up and/or closed campus at the end of the day.
